Wow what a turnout on Saturday 6th June. Thanks to everyone who came along to the fair. From Hot dogs to Ducks, Popcorn to Bubbles, Toys to Candy Floss. We hope you all had fun, it was great to see the music stage making a comeback as the music created a great atmosphere. Thanks, to all the volunteers for setting up, running the stalls and tidying up. Thanks to the great musicians. Please consider volunteering at the Halloween Parties, Christmas Markets, Ceilidh or Summer Fair 2027! Its super fun and you can do something great for school.

STALL NEWS

The toy stall was run by the P6 students for their coach to Benmore Camp. The book stall had P7 librarians helping to raised funds to be spent on our library.

Thanks to Esme Anderson for donating her candy floss machine and time. Serving over 120 kids.

OLD SCHOOL!

Two ladies visited the summer fair from the local community and had this to say:

"This was our classroom when we were wee. We come back each year. It's really special that you can open up the school to everyone"

Our volunteers thoughts:

"It felt like a really lovely community vibe with everyone pitching in."

"Highlight of the school year for me! I love being part of something that so many children enjoy and that raises a chunk of funding for the school."

COPING WITH ANXIETY TALK

CPaCC's ASN Rep Emma Parker arranged for a presentation by The Centre for Psychological Therapies on Wednesday 10th June. Many thanks to Dr Rachel Happer and Emma Clark for delivering an informative talk on how to help our children cope and manage anxiety. They offer places to children at <https://health.ed.ac.uk/centre-for-psychological-therapies>

CPACC IS CHANGING

In line with CPaCC's constitution, roles held for 3 years have to be advertised for new volunteers. This group is made up of busy parents, who dedicate as much time as they feel able, to represent parents and carers in our school and raise funds to be spent in our school.

Current positions available at our next AGM on 15th September:

- Chair person
- Treasurer
- Summer Fair lead
- Xmas Cards organiser
- Christmas market Lead (shadowing)

THANK YOU

As 2025/26 year comes to an end, we would like to thank you all for your support.

CPaCC represent parents and carers, ensuring your voice is heard in both school and council decisions/policies. We work in partnership with the school to support its development, while also fundraising to improve facilities and experience for all our children.

GET INVOLVED 2027

We are looking for someone to run the summer fair next year – ideally a small group of people – could be you and your friends?

Please get in touch with CPaCC if you would like to learn more about it? If we don't have anyone to come forward, **this event won't happen** which would be very sad for everyone and a loss of approximately £5-6K for the funds of our school.
